Describe the educational and informational objective of the program and how it meets the definition of Core Programming. Culture Click is a weekly half-hour series that explores the genesis of-and reasons behind-cultural events that permeate our everyday lives. Developed and produced for viewers aged 13-16, host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for the deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society-using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's worth of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there is no limit to what viewers will learn when they experience "Culture Click".

Origination	Network
Days/Times Program Regularly Scheduled	Saturday 11-11:30AM CT starting 8/26/17
Total times aired at regularly scheduled time	6
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core
Programming.

Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought. Each weekly-half hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time-sometimes from friends, or even from bloggers needing her help. no matter how exotic or local the locations, she's always in search of new tastes and places to explore. based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life.
