Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Channel - Pets.TV celebrates the pets we love and the people who love them in an educational and informational format designed to help its viewers make important decisions. The show explains the positives and negatives of pet ownership, including how to care for your pet, and features segments on owners, trainers and other people who interact with domesticated animals. Pets.TV covers pet ownership, including pet news, pet care, pet health and pet lifestyles. It goes beyond the standard focus on cats and dogs and features profile segments on all types of pets and their relationships with owners, trainers and the people who interact with them. It is regularly scheduled on the main digital program stream on Saturdays at 12:00p. It is 30 minutes in length and the E/I objective is specified on air along with the E/I objective and target audience for the program supplied to Program Guide publishers.

Certification
