Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer, Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard-to love and untrained dogs and find them homes. The show focuess on exercising responsibility and developing a sense of appreciation for life and animals. Live lessons are integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them, so that the animals will make welcome family members. Through watching his interactions with these animals, the viewer is encouraged to be sensitive to our own and other's behavior, and shown how we as individuals can make a difference. This show aired on WSBT main channel 22.1.

Live lessons are integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them, so that the animals will make welcome family members. Through watching his interactions with these animals, the viewer is encouraged to be sensitive to our own and other's behavior, and shown how we as individuals can make a difference. This show airs on WSBT main channel 22.1.
