Length of Program	30 mins
Age of Target Child Audience	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	El Show De Chica features a five-year-old "baby" chick that spends her days with her parents in their costume shop, the Coop. The shop's one employee, Kelly, doubles as Chica's nanny and the ensemble is rounded out with Bunji, a large floppy eared rabbit, and Stitches, a straw mannequin that sits in the window. In each episode Chica develops or encounters a problem that she cannot immediately resolve. Usually her issues involve impulse control, distractibility, judgment, and inter-personal behaviors. She and Kelly usually work on the problem through an adventure - a fantasy transformation to animation - where Bunji and Stitches come alive and join Chica and Kelly for the problem solving process. The core educational content is primarily socio-emotional development as Chica learns how to express herself properly, think before she acts, and interact with others effectively. She often learns that it takes hard work and practice to become proficient at different skills.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Nina's World is an animated show based on a six-year-old Latina, who lives in San Antonio, Texas with her parents, who own the local bakery, and her Abuela (grandmother). Her Tio (uncle) Javier lives nearby and there are lots of different children and adults from several different cultures in the apartment complex and neighborhood where she lives. Nina's best friend is Star, a stuffed starfish pillow character brought to life by Nina's imagination. Each episode features Nina taking on a challenge, solving a problem, or finding a way to help others. She is very confident about her abilities, which sometimes gets her into trouble. However, with encouragement and chiding from Abuela, Nina learns about how to plan her "work," take responsibility for her actions, and correct her mistakes.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	LA ABEJA MAYA is an entertaining preschool series that furthers the educational and informational needs of children by promoting the social and emotional goals of independence, empathy, and diversity. The series also serves the cognitive and intellectual needs of children by teaching them about biodiversity and the importance of protecting nature. The main character, Maya, is a free spirit with a curious demeanor and fondness of discovery. With her eagerness for adventure, she lives free in the meadow, because the world is just too big and too fascinating to stay in the beehive. Through Maya's open-mindedness, children learn to foster their curiosity and to accept and respect others. On her way through the meadow Maya and her many friends teach children valuable lessons about supporting the weak, learning from each other and appreciating different perspectives on life.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	LA ABEJA MAYA is an entertaining preschool series that furthers the educational and informational needs of children by promoting the social and emotional goals of independence, empathy, and diversity. The series also serves the cognitive and intellectual needs of children by teaching them about biodiversity and the importance of protecting nature. The main character, Maya, is a free spirit with a curious demeanor and fondness of discovery. With her eagerness for adventure, she lives free in the meadow, because the world is just too big and too fascinating to stay in the beehive. Through Maya's open-mindedness, children learn to foster their curiosity and to accept and respect others. On her way through the meadow Maya and her many friends teach children valuable lessons about supporting the weak, learning from each other and appreciating different perspectives on life.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Nina's World is an animated show based on a six-year-old Latina, who lives in San Antonio, Texas with her parents, who own the local bakery, and her Abuela (grandmother). Her Tio (uncle) Javier lives nearby and there are lots of different children and adults from several different cultures in the apartment complex and neighborhood where she lives. Nina's best friend is Star, a stuffed starfish pillow character brought to life by Nina's imagination. Each episode features Nina taking on a challenge, solving a problem, or finding a way to help others. She is very confident about her abilities, which sometimes gets her into trouble. However, with encouragement and chiding from Abuela, Nina learns about how to plan her "work," take responsibility for her actions, and correct her mistakes.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	El Campeon En Ti features the powerful and inspiring stories of successful athletes who exemplify what it really means to be a champion. Hosted by Lauren Thompson, host of Golf Channel's Morning Drive, El Campeon En Ti introduces audiences to professional and amateur athletes who have overcome obstacles to ultimately achieve transcendent moments in the world of sports. El Campeon En Ti proves that a champion is not only defined by their speed, strength and agility, but also by their grit, resiliency and heart.
