Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	On Main channel 2.1, Vacation Creation had been scheduled to air in its second home on 11/19/17 due to sports. However, due to sports run over, the show did not air in full so we did not include this in our quarterly totals. Vacation Creation began at 3:18pm and aired for 12 minutes. On digital subchannel 2.2, Jack Hanna's Animal Adventures started 12 minutes late on 12/20/17 due to technical difficulties. The show aired in full, but we did not include it in our quarterly totals because of the late start time.
