Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Dragonfly TV showcases our most eager young scientists in a way that encourages all kids to discover the wonders of science. It's a new approach in science television for kids, because it features ordinary children and their own science investigations. The programs highlight children "doing" projects with real hands-on experience and demonstrates practical applications of mathematics and science. It introduces young viewers to a variety of scientific disciplines and challenges them in critical thinking and problem solving skills, while providing valuable information to reach answers. Whether shooting over moguls on free-ride skis, getting up close and personal with alligators, or cooking up experiments in their own kitchens, the Dragonfly TV kids empower viewers to explore, question, and learn. In each episode, children tell how they pursued their own investigations, communicating the infectious excitement that comes with making their own discoveries.

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Angela Sumser
Address	6380 Wilshire Blvd., Suite 1604
City	Los Angeles
State	CA
Zip	90048
Telephone Number	(323) 934-8283
Email Address	Angela@LKKGroup.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WVXF 17.1 network affiliation is This-TV. WVXF 17.2 network affiliation is Fox. The US Virgin Islands was hit by Hurricane Irma approximately September 7th and by Hurricane Maria approximately September 19th. The hurricanes took down power across much of the islands and destroyed some antennas and transmitters. Our station continued to broadcast through the storms but it is unclear how many viewers were able to obtain our signals. In Puerto Rico, Hurricane Maria hit approximately September 20th and it is unclear how many viewers were able to obtain our signals due to lack of power across the island. As of January 10, 2018, power has been brought up in many areas but has not been fully restored to either the US Virgin Islands or Puerto Rico.
