Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Much of the food Americans eat is produced by farmers and ranchers in the countrys heartland, but many children dont know how its produced. "Americas Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The shows reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy. This program aired on the main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program showcases the hard work and dedication required to be a true sports star. Chronicled are the trials and tribulations of young athletes as they strive to become top level performers in the sports arena. This program helps viewers realize that with hard work and determination, their goals in life and on the playing field are attainable. Key values such as dedication, discipline, commitment and community involvement are reinforced in each episode. The program also provides in-depth stories that reveal the important challenges and lessons that mold young athletes. Through these stories, viewers learn that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout their lives. This program aired on the secondary digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Think Big is a kid-hosted entertaining series for young people that follows the world's most innovative kids as they create and invent new toys, games, learning tools, websites, and modes of transportation. The program features top kid inventors who face off against one another in an Invent-Off to see who can come up with the most innovative and creative invention. In each episode, two teams brainstorm, choose materials, and sketch and design their idea. Once completed, the inventions are then judged. This program allows kids to showcase their skills in creativity, science, innovation, marketing and teamwork. This program aired on the station's quaternary digital stream.

Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11) (iii)?	Yes
Name of children's programming liaison	Jeanette Pruitt-Henriquez
Address	3500 Myer Lee Dr.
City	Winston-Salem
State	NC
Zip	27101
Telephone Number	(336) 722-4545
Email Address	jpruitt@sbgtn.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WXLV broadcasts a minimum of three hours weekly, programs which provide both educational and informational needs of children. We believe that these programs have unlimited value. During this past quarter, WXLV telecast numerous public service announcements aimed at children 16 years of age and under. We also air on a regular basis PSAs provided to us by Drug Free America and the Ad Council, which are geared towards children. Our PSAs are designed for a general audience, but also serve children 16 years of age and under.
