Digital Core  
Programming

| Question  | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream  | 3.5      |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream  | 504.0    |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:  | 9.96     |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?  | Yes      |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes      |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The half-hour weekly series, Sea Rescue, features the rescue, rehabilitation and in many instances release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit- rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. (Airs on primary station) |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Rock the Park is a weekly half-hour series produced and designed to educate and inform children 13-16 years of age and taps into America's love affair with our national parks. In this awe-inspiring and entertaining series our hosts, Jack Steward and Colton Smith, come face to face with nature and some of the most amazing places on earth. Viewers will witness the fascinating underwater world of Dry Tortugas National Park in Florida, which is home to the world's most unique coral and marine life. They'll watch as Jack and Colton raft their way through Alaska's remote Aniakchak National Monument and Preserve, spotting the region's famous brown bears. Viewers will reach new heights as Jack and Colton embark on their biggest climbing challenge yet - The Grand Teton in Wyoming's Grand Teton National Park. Jack and Colton's adventures on Rock the Park will inspire families to explore the vast resources that America's national parks provide. (Airs on primary station) |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This half-hour weekly series produced for the 13-16 target audience will certainly attract viewers of all ages. Each week our host Emily Calandrelli will take viewers on incredible journeys through space that will both entertain and educate. Ever wonder what it would be like to live in space or on a different planet? Watch our host try to perform every day responsibilities while floating in zero gravity. Explore the challenges that come along with living on a different planet as our host lives like an astronaut in a Mars-like habitat. We will have episodes on space robotics, commercial space tourism, asteroids, and our search for life, among many others. When appropriate, the host will highlight NASA related programs and internships for young students that are relevant to the content we have shown. (airs on secondary digital station) |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Xploration Weird But True will inspire and educate audiences of all ages. This series, produced in partnership with National Geographic Kids, is hosted by the brother-sister team of Charlie and Kirby Engleman. Charlie is an ecologist and Kirby is an artist, and they are both National Geographic Junior Explorers. Together, they share a common curiosity to explor and understand the science behind the world and its wildlife. In this series, Charlie and Kirby explore a new topic each week to uncover the "Weird But True" science at play all around us. With a mix of graphics and handmade art, this E/I series is fun, playful and educational. Charlie and Kirby inspire teens to question the HOW and WHY behind the way our world works. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heros-there's always something amazing happening. Filled with energy, youth and humor. Jarod is a welcome visitor in living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The Young Icons is a television program that provides educational and informational segments to accomplished "teens" that have set goals and are giving back to their communities as mentors, scholars, entrepreneurs and philanthropists. Each guest shares their personal stories of what motivates them to take on their passion and /or focus in their chosen field of endeavor. One guest's message inspires young audiences to "never let age hold us back no matter how old you may be." The program provides a motivational and inspirational message that empowers audiences of all ages that hard work; dedication and looking beyond ourselves will pay off for everyone. Each segment of The Young Icons delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, commitment and perseverance children can apply to their lives. (Airs on secondary digital station) |

Our host, Philippe Cousteau, the grandson of legendary Jacques Cousteau, brings boundless energy to every location we visit. From magnificent mountains to violent volcanoes, this program takes an in-depth look at the unique and distinct features on planet Earth. We not only visit gigantic glaciers and behold their beauty but also discover why they formed, and how they shaped our landscape. Geological experts share their wisdom with Philippe, as we strive to understand places on the earth, inside the earth, and above the earth. (airs on secondary digital channel)  |

| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Produced primarily for the 13-16 target audience, Xploration Weird But True will inspire and educate audiences of all ages. This series, produced in partnership with National Geographic Kids, is hosted by the brother-sister team of Charlie and Kirby Engleman. Charlie is an ecologist and Kirby is an artist, and they are both National Geographic Junior Explorers. Together, they share a common curiosity to explor and understand the science behind the world and its wildlife. In this series, Charlie and Kirby explore a new topic each week to uncover the "Weird bBut True" science at play all around us. With a mix of graphics and handmade art, this E/I series is fun, playful and educational. Charlie and Kirby inspire teens to question the HOW and WHY behind the way our world works. |--|---|
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heros-there's always something amazing happening. Filled with energy, youth and humor. Jarod is a welcome visitor in living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe. | Program Title  | Young Icons (DT-2)  |
| Origination  | Syndicated  |
| Days/Times Program Regularly Scheduled   | Sunday 7:30 AM  |
| Total times aired at regularly scheduled time  | 13  |
| Length of Program  | 30 mins   |
| Age of Target Child Audience from  | 13 years to 16 years  |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The Young Icons is a television program that provides educational and informational segments to accomplished "teens" that have set goals and are giving back to their communities as mentors, scholars, entrepreneurs and philanthropists. Each guest shares their personal stories of what motivates them to take on their passion and /or focus in their chosen field of endeavor. One guest's message inspires young audiences to "never let age hold us back no matter how old you may be." The program provides a motivational and inspirational message that empowers audiences of all ages that hard work; dedication and looking beyond ourselves will pay off for everyone. Each segment of The Young Icons delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, commitment and perseverance children can apply to their lives. (airs on secondary digital channel) |
