| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Culture Click is a weekly half hour series that explores the genesis of and reasons behind cultural events that permeate our everyday lives. Developed and produced for viewers aged 13 - 16, host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for a deep dive in to the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a weeks. worth of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience "Culture Click". This program is specifically designed to further the educational and informational needs of children, has education and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought. Each weekly-half hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves a s rile model for 13-16 year old viewers by showing her passion for her family, sometimes from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a health attitude towards food and life. This program is specifically designed to further the educational and informational needs of children, has education and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. |

| Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3. | KIMT has a public service campaign entitled Giving Your Best which includes annual Family Fair, encourages volunteering. KIMT also does a weekly Golden Apple segment recognizing teachers. KIMT sends information to Tribune Media Services, TV Guide, TV Data, Video Viewing, Inc., Iowa TV Guide Magazine as well as most of the local newspapers. The CBS Television Network provides information identifying the core programs it supplies to stations affiliated with the Network, including an indication of the target child audience, to the following publishers of program guides: TV Guide, TV Data Technologies, Tribune Media Services, and Kidsnet Media Guide and News. On or around June 12, 2009, the station transitioned to digital television. The station's responses to Questions 4, 7, and 10 reflect this termination of analog service. |
