Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	504.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	11.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program centers around Beakman, who takes viewers on exciting journeys of discovery while performing experiments that demonstrate how nature, science and the world works. Some of these experiments include learning why the sky is blue or how cats purr. Beakman is joined in his electric laboratory by a handful of denizens who help with, and sometimes hinder, his eye-popping experiments. The principles taught in the show are connected to daily life in meaningful and revealing ways. This program aired on the station's secondary digital stream, channel 2.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Much of the food Americans eat is produced by farmers and ranchers in the country's heartland, but many children don't know how it's produced. "America's Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The show's reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy. This program aired on the station's fourth digital stream, channel 4.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	The children's programming and promotional content furnished to the Station during Q2 2018 complied with the commercial limits of the Children's Television Act, and 47 C.F.R. 73.671, NOTES 2 and 3. During Q2 2018, WJAR participated in the following... airing over 800 public service announcements that include but not limited to dental hygiene, animal conservation, forest conservation, etc.; news talent visiting local schools and classrooms while other children's groups visited the station for tours; in partnership with Hasbro Industry & RI Department of Education, the Golden Apple Award recognizing teachers who go above and beyond in the classroom; and Health Check Kids reports that focus on children-themed health topics. For the Golden Apple promotion, station continued with its on-air campaign for solicitation of teacher submissions through the quarter. Each honored teacher is chosen by a panel based on letters submitted by students and/or parents. One teacher is honored per week throughout the school year... a profile airing in NBC 10 News at 6PM on Thursdays and repeated on NBC 10 News Sunrise on Fridays. For Health Check Kids, the station aired weekly segments in NBC10 News at 5:30PM. Each segment focused on health issues and matters relating to children. The station also held a 10 Town Hall Meeting that focused on Childhood Obesity. It aired on the main digital stream on Saturday, June 16 at 7:00PM.
