Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title	LUCKY DOG
Origination	Network
Days/Times Program Regularly Scheduled	Saturday, 8:00am 7/7-9/29/18
Total times aired at regularly scheduled time	12
Total times aired	13
Number of Preemptions	1
Number of Preemptions for other than Breaking News	1
Number of Preemptions Rescheduled	1
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard-to love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them so that the animals will make welcome members in a family. Through watching his interaction with these animals, the viewer is encouraged to be sensitive to our own and other's behavior as well as showing how we as individuals can make a difference. This program aired on the station's main digital stream.
Does the Licensee identify the program by displaying throughout the program the symbol E /I?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hosted by Mo Rocca, this program is a weekly celebration of the inventor's spirit; from historic scientific pioneers throughout past centuries to the forward looking visionaries of today. Each episode inspires young viewers to dream, create and innovate by telling the dramatic stories behind the world's greatest inventions and the perseverance, passion and price required to bring them to life. Episode examples include the innovators who condensed a TV satellite truck into a backpack, how solar roads could power the world and a 16-year-old who invented a battery free flashlight. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians and other experts, Jeff Corwin travels the world to explore the earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth Jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program aired on the station's secondary digital stream, channel 2.2.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species.. This program aired on the station's secondary digital stream, channel 2.2.

Address	299 South Main Street, #150
City	Salt Lake City
State	UT
Zip	84111
Telephone Number	(801) 839-1234
Email Address	sodette@kutv2.com

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>CHECK YOUR HEALTH an ongoing campaign. KUTV solidified the long term working relationship with the Department of Health & Intermountain Healthcare for Check Your Health and Baby Your Baby. Check Your Health is a campaign that includes media coverage on KUTV & the Broadway Radio Group. Commercials and stories are run that encourage viewers to make good choices, be active and eat healthy. This campaign has a broad range that we are trying to reach; male, female, old and young. BABY YOUR BABY - on going campaign - this campaign focuses on women 18-35, sharing the message of seeing your doctor 13 times during your pregnancy and by the 13th week you are pregnant. We cover stories, have in studio interviews and maintain multiple social media platforms that encourage women to participate in pre-natal and post-delivery care. ASK THE EXPERT - KUTV along with Intermountain Healthcare is committed to helping Utahns get key information and resources they need to make informed decisions leading to healthier lifestyles. The goal is to help Utah citizens enjoy the best health possible to grow and prosper in healthy and happy communities. On the second Tuesday of every month KUTV and Intermountain Healthcare hold an Ask the Expert event. During these events viewers are encouraged to call in and seek medical advice from from Intermountain health professionals. Promotion for the events occurs on KUTV KMYU and KJZZ. In July the Ask the Expert campaign addressed women's health. In August we focused on children's health and shot live from Intermountain Children's Hospital. In September we addressed medications. UPLIFT FAMILIES - Utah's First Lady, Jeannette Herbert asked KUTV to be her exclusive TV sponsor for the 7th Annual Uplift Families Conference. The objective of her initiative and this event is to help parents strengthen relationships with their kids and to learn ways of improving their parenting skills. It also focuses on how to get children to make healthy choices. KUTV Anchor/Reporter Holly Menino emceed the event. DAYS OF 47 - In honor of Utah's pioneer heritage, KUTV was a sponsor of the Days of '47. This included the Youth Parade, Family Festival and the Pioneers of Progress Gala. The Youth Parade is the largest in the United States. KUTV's morning team coverage included live interviews. EYECARE4KIDS - In July KUTV had our 2nd Annual KUTV EyeCare4Kids promotion leading up to the telethon in August. EyeCare4Kids is a non-profit organization dedicated to helping Utah children who need eye care but whose families cannot afford it. SBG ran a promo schedule on KUTV KMYU and KJZZ along with a dynamic digital campaign. The day long telethon included government officials, local athletes and coaches and business leaders who teamed up to support the cause by volunteering their time.</p>

Program Title	LUCKY DOG
Origination	Network
Days/Times Program Regularly Scheduled	Saturday, 8:00am 10/6-12/29/18
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard to love and untrained dogs and find them homes. The show focuses on exercising responsibility and developing a sense of appreciation for life and animals. Life lessons are an integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish this goal, McMillan must investigate what each animal needs to find the appropriate method to train them, so that the animals will make welcome family members. Through watching his interactions with these animals, the viewer is encouraged to be sensitive to our own and other's behavior and shown how we as individuals can make a difference. This program will air on the station's main digital stream.
