Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	In July and August 2018 KVII/KVIH were the driving force for Stuff The Bus. Station staff worked diligently to collect school supplies for the hundreds of kids who are in the state's child protective services system. This was the first time Texas Department of Family Protective Services (DFPS) participated in a Stuff The Bus event. DFPS accepted everything from school supplies to clothing items. This event was a huge confidence booster to the children within the system. When a child goes to school in a new outfit with a back pack full of school supplies, they feel better about themselves and interact with their peers on a better level. While this drive benefited kids who are less fortunate, it was also a good opportunity to teach more fortunate children to help others in need. On August 18th KVII / KVIH sponsored a telethon for the High Plains Food Bank. The telethon not only raised awareness about the delicate subject of hunger in our communities, it also kept the High Plains Food Bank open for those who need it.
