Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Masha and the Bear is an animated series about the adventures of a three-year-old girl named Masha and her retired circus star friend the Bear. The relationship between Masha and the Bear is a metaphor of how a girl interacts with the world and how an adult can help with this difficult task. Precocious, silly, curious, creative and friendly with everyone she meets, this energetic girl can't seem to keep herself out of trouble. Bear, is a warm, fatherly figure that does his best to keep Masha from harm, often ending up the unintended victim of her misadventures! Through these amusing adventures children will develop cognitive and social-emotional skills. Masha and the Bear teaches children how to observe situations and to apply problem solving skills such as when a celebration does not go as planned, you make the best of it even when you encounter obstacles and working together as a team has better results. Young viewers will also learn right from wrong and the consequences of lying. Masha will be exposed to different situations some more complex than others, but there is always a lesson to be learned.
