Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard-to love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them so that the animals will make welcome members in a family. Through watching his interaction with these animals, the viewer is encouraged to be sensitive to our own and other's behavior as well as showing how we as individuals can make a difference. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species.. This program aired on the station's secondary digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program aired on the station's secondary digital stream.

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526 (e)(11)(iii)?	Yes
Name of children's programming liaison	Makelle Alexander & Anna Eoff
Address	299 South Main Street, #150
City	Salt Lake City
State	UT
Zip	84111
Telephone Number	(801) 839-1234
Email Address	mkalexander@kutv2.com

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>KUTV Ask the Expert At KUTV, we are committed to helping Utahns get key information and resources they need to make informed decisions leading to healthier lifestyles. We are partnered with an outstanding organization, Intermountain Healthcare. Collectively we work to create a state where all Utahns can live, grow and prosper in healthy and happy communities. In conjunction with Intermountain Healthcare, KUTV holds an Ask the Expert event once a month, on the second Tuesday. During these infothons, viewers are encouraged to call in and seek free medical advice from Intermountain professionals. Spots run on all three stations KUTV, KMYU, KJZZ. On KUTV, we do a story in the 6-8a show, two hits in the noon, one hit at 3pm and one hit in the 4pm and 5pm news. In December, the Ask the Expert campaign addresses open enrollment. In January, we will focus on health living, healthy weight. Check Your Health KUTVs partnership with Department of Health and Intermountain includes a media buy on KUTV, KMYU, KJZZ, KUTV.com & Broadway radio group. We run commercials and stories to encourage viewers to make good choices, like being physically active and eating healthy. This campaign has a broad demographic, we are reaching male, female, ages 35 - 64. We just finished a new spot regarding mental health. Baby Your Baby KUTVs partnership with Department of Health and Intermountain includes a media buy on KUTV, KMYU, KJZZ, KUTV.com & Broadway radio group. This campaign focuses on women 18-35, sharing the message of seeing your doctor 13 times during your pregnancy and by the 13th week you are pregnant. We cover news stories, have in studio interviews and maintain multiple social media platforms. We just finished a new spot discussing safe sleep for babies. Day of Thanks For twenty years KUTV rallied the community to help the needy during the Thanksgiving season. Channel 2 worked closely with the Utah Food Bank to encourage viewers and corporations alike to donate food and money. KUTV was out in force live, from participating grocery stores Harmons Grocery Store Chain and Smiths Grocery Store Chain, the day of the event. Angel Tree We kicked off our 26th year of Salvation Army Angel Tree. This campaign ties in six sponsors, from all verticals, to help promote a broad community program. We helped provide Christmas presents to nearly 10,000 Utah children and senior citizens in need. Campaign spots started running in November. Also, Christmas trees went up, at all our sponsor locations, adorned with ornaments listing the names of the needy and their holiday present wish and needs list. The Angel Tree program included an aggressive television and web schedule as well as strong viewer involvement. This is always the premier and most anticipated event of the year for KUTV families as well as friends and family of our sponsors.</p>

Program Title	Ocean Mysteries
Origination	Local
Days/Times Program Regularly Scheduled	Monday, 8:30AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program aired on the station's secondary digital stream.

Program Title	Wild America
Origination	Local
Days/Times Program Regularly Scheduled	Saturday, 7:30AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed on protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species. This program aired on the station's secondary digital stream.
