Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Jewels of the Natural World is an incredible celebration of nature. Hosted by Nicole Gibbons, this breathtaking series will give viewers a passport to discover some of the most fascinating animals on our planet. Audiences will have a unique platform to see these wild animals up close, observing them in their natural habitat. We will also explore natural wonders of the world, including the Great Land migration in Africa of millions of wildebeests. Also, the viewers will learn more about the struggle for survival for many of Africa's iconic animal species such as hippos, cheetahs, and elephants.
