| Age of Target Child Audience | 13 years to 16 years |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The key education objective of the program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. Each episode of the series will be specific to a particular animal. Topics will range from basic food gather, mating, natural enemies, relationships to other animals, and the interaction of the specific ecology on the survival of the species. We expect that children viewing the program will achieve a greater understanding of nature and specific animal species because of the up-close and detailed photography of the series. Through this understanding, it is hoped children will better relate to the natural environment as it exist in North America and learn to protect its natural species. This program airs on WTOK-DT2 |

| Age of Target Child Audience | 6 years to 9 years |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Look Kool is a program designed for children 6 to 9. On every episode, the male host, Hamza, interacts with an animated robot cat, a historical guest (played by Hamza in costume), children, and other animated creatures. The basic premise of the show is the idea that math is everywhere and each episode includes real children who help Hamza solve mathematical or scientific curiosities. Look Kool works hard to highlight for learners the link between the lesson and real life in order to activate and keep the children's interest. Live action children in real world settings put the lesson of the episode into action by seeking its value within everyday life. Look Kool is a highly educational program and speaks to the curious minds and active imaginations of elementary age kids and encourages the transfer of knowledge out into one's everyday life. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Ready, Set, Pet is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Hosted by Phil Torres, this series will educate and inform teens and their families about pet adoption, responsible pet ownership, and the importance of a green space for pets. Each episode, Phil will guide a family through the pet adoption process after a careful look at their unique situation to help them make an informed decision in finding the right pet for their lifestyle. While the family visits local shelters and rescues, experts revitalize their outdoor space to make a safe and eco-friendly home for their new pet. In the end, viewers will see family members overcome their disagreements and make the tough decision on which pet will join the family. Ready, Set, Pet will teach viewers that thoughtful preparation is key when learning to care for an animal's needs. This program airs on WTOK-DT3. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Welcome Home is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13 to16. Hosts Rob and Treger Strasberg run a non-profit dedicated to helping deserving families in transition by turning their house into a home and changing lives along the way. Each episode, we meet a family emerging from difficult circumstances as they finally move into a new living space to call their own. To help the family with their fresh start, Treger, Rob, and a dedicated team of designers and volunteers will transform the family's bare house into a warm home by using goods and services donated by people in the community. The new home will provide much-needed stability to meet the family's specific needs, stimulate their interests, and promote their goals. Welcome Home will teach viewers the importance of giving back in their communities, to never give up when faced with a tough situation, and gratitude for the basic living necessities that we often take for granted. This program airs on WTOK-DT3. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The half-hour weekly series, The Wildlife Docs, produced for ages 13-16 follows the surprising, exotic, and challenging lives of a veterinary staff that cares for over 2,000 animals. From nutrition to treatments, x-rays to surgery, preventative care to emergencies, this educational and information program will allow viewers to witness a kaleidoscope of wild experiences through the eyes of our Veterinary Team. Unpredictable events unfold giving viewers a glimpse of the enormity, variety, and quality of treatment that sets the standard for animal care. This program airs on WTOK-DT3 |

## Certification

| Question | Response |
