Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Culture Click" is a weekly half-hour series that explores the genesis of - and reasons behind - cultural events that permeate our everyday lives. Developed and produced for viewers aged 13-16, host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for a deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's worth of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when the experience "Culture Click".

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought. Each weekly half-hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Wild World" is a weekly half-hour reality series showcasing all types of wild animals at the world famous San Diego Zoo. The series focuses on the dedicated people who care for these unique critters. The program also informs teen viewers about the living environments and key facts about each wild animal. Episodes also include stories on zoo enrichment programs that help animals initiate natural behavior. Whether it be following the life cycles of rhinoceros or understanding the eating habits of grizzly bears, "Wild World" is a series intended to educate and inform viewers all about life in the animal kingdom.
