Broadcaster Information and Transition Plan

Question

Will the station be sharing equipment with another broadcast television station or stations (e.g., a shared antenna, co-location on a tower, use of the same transmitter room, multiple transmitters feeding a combiner, etc.)? If yes, enter the facility ID's of the other stations and click 'prefill' to download those stations' licensing information.

Briefly describe transition plan

## Response

No
.  -

- 

File Interim STA. Replace interim backup antenna, transmitter \& line. Install and sweep primary T-Line \& antenna. Remove \& replace primary transmitter .
