Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	504.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	10.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	ECO COMPANY This program is hosted by teens, and uses peer reporting to profile individuals and organizations committed to environmental issues, including reports on the latest recycling and nature conservation efforts, advances in renewable energies and carbon footprint-reducing technology. It also offers advice on how to be more eco-wise while performing daily activities. The program includes "eco bytes" (bits of trivia related to environmental issues) and video footage uploaded by teen viewers to the program's website. By using this information from a youthful point of view, the program encourages young adults to become more proactive about environmentalism and stresses the positive impact that young people's efforts, no matter how small they may seem, can have on the larger world around them. (This program aired on the secondary digital stream, channel 30.2)
