Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Rock the Park is a weekly half-hour series produced and designed to educate and inform children 13-16 years of age and taps into America's love affair with our national parks. In this awe-inspiring and entertaining series our hosts, Jack Steward and Colton Smith, come face to face with nature and some of the most amazing places on earth. Viewers will witness the fascinating underwater world of Dry Tortugas National Park in Florida, which is home to the world's most unique coral and marine life. They'll watch as Jack and Colton raft their way through Alaska's remote Aniakchak National Monument and Preserve, spotting the region's famous brown bears. Viewers will reach new heights as Jack and Colton embark on their biggest climbing challenge yet - The Grand Teton in Wyoming's Grand Teton National Park. Jack and Colton's adventures on Rock the Park will inspire families to explore the vast resources that America's national parks provide. (Airs on primary station)

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This half-hour weekly series produced for the 13-16 target audience will certainly attract viewers of all ages. Each week our host Emily Calandrelli will take viewers on incredible journeys through space that will both entertain and educate. Ever wonder what it would be like to live in space or on a different planet? Watch our host try to perform every day responsibilities while floating in zero gravity. Explore the challenges that come along with living on a different planet as our host lives like an astronaut in a Mars-like habitat. We will have episodes on space robotics, commercial space tourism, asteroids, and our search for life, among many others. When appropriate, the host will highlight NASA related programs and internships for young students that are relevant to the content we have shown. (airs on secondary digital station)

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Young Icons is a television program that provides educational and informational segments to accomplished "teens" that have set goals and are giving back to their communities as mentors, scholars, entrepreneurs and philanthropists. Each guest shares their personal stories of what motivates them to take on their passion and /or focus in their chosen field of endeavor. One guest's message inspires young audiences to "never let age hold us back no matter how old you may be." The program provides a motivational and inspirational message that empowers audiences of all ages that hard work; dedication and looking beyond ourselves will pay off for everyone. Each segment of The Young Icons delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, commitment and perseverance children can apply to their lives. (Airs on secondary digital station)
