Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Like all brothers, Sergio and Monica spend their days playing and fighting. But at the difference at other kids each dawn brings a new adventure when their toys become real characters in the fantasy world of the living water. Living water is not only a beautiful place where Sergio and Monica have fun, its also where they have the opportunity to play, create and learn with their friends to help them understand the importance of love, honesty and friendship. Thus, as they confront the daily problems, Sergio and Monica develop character and positive attitude towards life. Each episode of living water presents three musical numbers. This program is designed to capture the attention of the children's over 3 years, teaching them social skills and good values.
