Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	KORX ran PSAs during the quarter of interest to children covering topics such as drug abuse, child abuse, don't text and drive, etc. From the information provided in the PSAs, children and viewers may better identify problems and handle difficult situations as they arise. The station hosted 14 students from the LDS Activity Day Group for a station tour in June. The children were also told about various job opportunities in broadcasting. Also this quarter the station participated in the MC Selah Days Parade and the MC High School Athlete of the Year Awards. These events were supported by airtime and a news segment.
