Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	7.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Digital Core Programs(13)

Digital Core Program (1 of 13)	Response
Program Title	Ready, Set, Pet
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 8am(4/6/19-6/29/19)
Total times aired at regularly scheduled time	13

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program series will educate and inform teens and their families about pet adoption, the responsibilities of pet ownership, and the importance of a green space for pets. Each episode, viewers will observe a family who visits a shelter and make an informed decision in finding the right pet for their lifestyle. Viewers will learn how thoughtful preparation is key when learning to care for an animal's needs, and see family members overcome disagreements and ultimately decide together which pet will join the family. This program aired on the station's main digital stream.

Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is a celebration of craftsmanship, vocational education, and excellence in the field of home improvement. This program follows two residential construction projects and will offer children insight into master building methods and disciplines through step-by-step instructions demonstrated by the industry's leaders. This program will explore everything from architecture, engineering and carpentry to plumbing, masonry and landscape design. Children will learn about vocational and trade careers from trade experts and skilled craftspersons as they renovate and restore homes. This program aired on the station's main digital stream.
Does the Licensee identify the program by displaying throughout the program the symbol E/I?	Yes

Digital Core Program (4 of 13)	Response

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hosts Rob and Treger Strasberg run a non-profit dedicated to helping deserving families in transition by turning their house into a home. Each episode features a family emerging from difficult circumstances as they move into a new living space to call their own. Designers and volunteers will transform the family's home using goods and services donated by people in the community. This series will teach viewers the importance of giving back in their communities, to never give up when faced with a tough situation, and gratitude for the basic living necessities that we often take for granted. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program shows everyday people, regardless of age, sex, occupation or education, stepping forward and acting in a socially responsible and moral fashion when faced with crises and moral dilemmas. In a candid camera-type format, individuals are placed in situations that cause them to demonstrate acts of kindness and generosity, stand up for diversity, shield others from bullies, and embrace friendships. The program also includes segments that focus on overcoming ones fears, as well as rewarding individuals for their unselfish kindness and community service. The program encourages children to increase their sensitivity and awareness in order to refine their own moral compass. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program aired on the station's tertiary digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Think Big is a kid-hosted entertaining series for young people that follows the world's most innovative kids as they create and invent new toys, games, learning tools, websites, and modes of transportation. The program features top kid inventors who face off against one another in an Invent-Off to see who can come up with the most innovative and creative invention. In each episode, two teams brainstorm, choose materials, and sketch and design their idea. Once completed, the inventions are then judged. This program allows kids to showcase their skills in creativity, science, innovation, marketing and teamwork. This program aired on the station's tertiary digital stream.

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Scott Bradsher
Address	3012 Highwoods Blvd., Suite 101
City	Raleigh
State	NC
Zip	27604
Telephone Number	(919) 877-8091
Email Address	sbradsher@sbgvtv.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	PSA's geared toward children have run covering such subjects as crime prevention, health, fitness, preventing forest fires, Earth Share, reading, teaching kids good behavior, and education. Tours of the station were also given to local school children.
