Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Culture Click is a weekly half-hour series that explores the genesis of, and reasons behind, cultural events that permeate our everyday lives. Developed and produced for viewers aged 13 to 16, host Nzinga Blake opens each episode from her virtual reality set with a list of what is trending on search engines that week. These topics will serve as a jumping off point for a deep dive into the culture viewers 13 to 16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society, using the power and speed of the internet and user generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a weeks worth of aha moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there is no limit to what viewers will learn when they experience Culture Click.

Days/Times Program Regularly Scheduled	Saturday's - 9:30-10:00AM MT
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	On each episode of Vacation Creation, our hosts guide one deserving family on amazing adventures as they experience a new destination together on their family vacation. As our featured family embarks on an interactive voyage filled with immersive learning opportunities, each episode brings us to diverse locations where our family, and viewers, discover unique cultural events, food, activities, and traditions. From discovering the wondrous glaciers of Alaska to learning from the Moko Jumbie of the Virgin Islands, viewers will witness the importance of spending time with family and friends as our featured families experience amazing adventures together, often learning more about each other and their own family history along the way. Teens will also learn the importance of resiliency during challenging times as many featured families share their stories of overcoming adversity, finding ways to bond and heal while sharing these once in a lifetime experiences.

Program Title	Culture Click (FOX)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays 9:30-10:00am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Culture Click is a weekly half-hour series that explores the genesis of, and reasons behind, cultural events that permeate our everyday lives. Developed and produced for viewers aged 13 to 16, host Nzinga Blake opens each episode from her virtual reality set with a list of what is trending on search engines that week. These topics will serve as a jumping off point for a deep dive into the culture viewers 13 to16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society, using the power and speed of the internet and user generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a weeks worth of aha moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there iss no limit to what viewers will learn when they experience Culture Click.
