Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	13.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian faces daily. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	THE INSPECTORS is a scripted dramatic series inspired by compelling real-life cases handled by the United States Postal Inspection Service. In the series, Preston Wainwright, a determined teenage boy who is thriving after being paralyzed in a car accident, works as an intern at the U.S. Postal Inspector's lab assisting his U.S. Postal Inspector mom, Amanda, in solving crimes that deal with everything from internet scams, identity and mail theft, to consumer fraud. The program strives to educate young people about making the right choices in their daily lives, encourages open communication between teens and parents and includes positive messaging regarding living with disabilities, overcoming challenges, beating the odds and the power of perseverance. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Origination		Network

Days/Times Program Regularly Scheduled	Monday-Sunday, 7-7:30amam
Total times aired at regularly scheduled time	91
Total times aired	91
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	3 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Wimzie's House is a puppet-based, half-hour television series featuring Wimzie, a little girl monster. Each story is a complete dramatic episode and the stories feature the puppet characters in situations with themes that are important to the development of young children. Each show ends with two short segments, one called Wimzie's Reflections" and the other titled, "Tips". In "Reflections", Wimzie reviews something that happened during the day and is guided by a grown-up to an understanding of the show's theme. In "Tips:", one of the puppet characters offers guidance to children on such subjects as nap time, hitting, dealing with strange animals, brushing your teeth and washing your hands.

Length of Program	30 mins
Age of Target Child Audience	4 years to 9 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Country Mouse and The City Mouse Adventures is an animated half-hour children's television series that employs the fun and fascinating world-wide jaunts of a pair of adorable mice to present a body of important new learning. As Emily, the practical Country Mouse, and her sophisticated City Mouse cousin, Alexander, visit friends and family around the globe, they encounter non-stop problems, complications and mysteries. By stepping in, helping out and dealing with the situations with which they are confronted, they teach valuable "learning to learn" skills centering on discovery, investigation and analysis, associated personal-character and pro-social attitudes and intriguing core-knowledge learning focused on world history, geography and language.

Length of Program	30 mins
Age of Target Child Audience	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Busy World of Richard Scarry is a television adaptation of Richard Scarry's hundreds of original stories and his wonderfully colorful characters. Each half-hour episode is made up of three stories - two of which are set in Busytown, the living, working and playing place of the Scarry characters. The third story is from Busy Busy World featuring international characters as they appeared in the original stories. The stories are separated by two one-minute educational interstitials hosted by Lowly, the series Spokesworm, who demonstrates "How Things Work" and "How To Be Safe".

Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Tails of Valor, hosted by Kel Mitchell, is a live action program that features true stories of service animals working to change people's lives. The program also examines the life science behind these relationships, including the animal's unique and powerful senses that enable them to protect their human charges. TAILS OF VALOR will focus on the training and day-to-day jobs of these incredible animals and the quality of life they provide the people they serve, leaving viewers with a greater compassion for animals. Viewers will learn to see the world from different perspectives, and how those with disabilities experience everyday life and the challenges they face. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Program Title	The Inspectors
Origination	Network
Days/Times Program Regularly Scheduled	Saturday, 9:30-10am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	THE INSPECTORS is a scripted dramatic series inspired by compelling real-life cases handled by the United States Postal Inspection Service. In the series, Preston Wainwright, a determined teenage boy who is thriving after being paralyzed in a car accident, works as an intern at the U.S. Postal Inspector's lab assisting his U.S. Postal Inspector mom, Amanda, in solving crimes that deal with everything from internet scams, identity and mail theft, to consumer fraud. The program strives to educate young people about making the right choices in their daily lives, encourages open communication between teens and parents and includes positive messaging regarding living with disabilities, overcoming challenges, beating the odds and the power of perseverance. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Program Title	Wimzie's House (KTVN 2.2)
Origination	Network
Days/Times Program Regularly Scheduled	Monday-Sunday, 7-7:30am
Total times aired at regularly scheduled time	93
Length of Program	30 mins
Age of Target Child Audience from	3 years to 5 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Wimzie's House is a puppet-based, half-hour television series featuring Wimzie, a little girl monster. Each story is a complete dramatic episode and the stories feature the puppet characters in situations with themes that are important to the development of young children. Each show ends with two short segments, one called Wimzie's Reflections" and the other titled, "Tips". In "Reflections", Wimzie reviews something that happened during the day and is guided by a grown-up to an understanding of the show's theme. In "Tips:", one of the puppet characters offers guidance to children on such subjects as nap time, hitting, dealing with strange animals, brushing your teeth and washing your hands.

Program Title	The Country Mouse and The City Mouse Adventures (KTVN 2.2)
Origination	Network
Days/Times Program Regularly Scheduled	Monday-Sunday, 7:30-8am
Total times aired at regularly scheduled time	93
Length of Program	30 mins
Age of Target Child Audience from	4 years to 9 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Country Mouse and The City Mouse Adventures is an animated half-hour children's television series that employs the fun and fascinating world-wide jaunts of a pair of adorable mice to present a body of important new learning. As Emily, the practical Country Mouse, and her sophisticated City Mouse cousin, Alexander, visit friends and family around the globe, they encounter non-stop problems, complications and mysteries. By stepping in, helping out and dealing with the situations with which they are confronted, they teach valuable "learning to learn" skills centering on discovery, investigation and analysis, associated personal-character and pro-social attitudes and intriguing core-knowledge learning focused on world history, geography and language.

Program Title	The Busy World of Richard Scarry (KTVN 2.2)
Origination	Network
Days/Times Program Regularly Scheduled	Monday-Sunday 8:30-9am
Total times aired at regularly scheduled time	93
Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Busy World of Richard Scarry is a television adaptation of Richard Scarry's hundreds of original stories and his wonderfully colorful characters. Each half-hour episode is made up of three stories - two of which are set in Busytown, the living, working and playing place of the Scarry characters. The third story is from Busy Busy World featuring international characters as they appeared in the original stories. The stories are separated by two one-minute educational interstitials hosted by Lowly, the series Spokesworm, who demonstrates "How Things Work" and "How To Be Safe".
