Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Skooled features teenage students and classroom teachers trading roles with each other. The series explores a unique perspective, students teaching teachers. Both students and teachers better understand what it means to be the other. The students prepare lessons for their teachers and discuss as a group the appropriate grade for each teacher. The teen students learn how difficult it is for teachers today while teachers get a lesson in being students. This unusual role reversal teaches kids and adults important differences and each episode addresses concerns each has with the other.

Email Address	btanner@wsiltv.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	On Monday May 1st, 2019 WSIL changed 3.3 from Weather to Justice Network, and added 2 new subchannels, 3.4 Court TV and 3.5 ION. Each of these multicast program streams aired at least 3 hours of children's Core E/I programming each week that the streams aired on our station.
