Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	The licensee has reviewed internal station records and documentation provided to us by program suppliers for compliance with the FCC's commercial limits in children's programs (47 C.F. R. Section 73.670) and the licensee hereby certifies that the station fully complied with these limits for all programs specifically designed for children ages twelve (12) and under. In addition to the programs listed in this report, the station broadcast the following programs specifically designed for children ages twelve (12) and under: NONE. On 9/6/19 and 9/15 /19, the network Children's Programming lineups changed for 3.3 and 3.1, respectively.
