| Broadcaster | Question |
|-------------|----------|
| Information | |
| and | |
| Transition | |
| Plan | |

Response

| Will the station be sharing equipment with another broadcast television station or stations (e.g., a shared antenna, co-location on a tower, use of the same transmitter room, multiple transmitters feeding a combiner, etc.)? If yes, enter the facility ID's of the other stations and click 'prefill' to download those stations' licensing information. | No |
|--|---|
| Briefly describe transition plan | Relocate from ASR #1237074 to ASR #1041624. Replace non-retunable transmitter, install top mounted antenna and transmission line to operate on post-repack channel. |

| Transmitters | Section | Question | Response | |
|--------------|---------------------------------|---|----------|--|
| | Transmitter Related Expenses | Do you have transmitter related expenses? | Yes | |

| Primary | Existing Transmitter Information | | | | |
