Number of Preemptions Rescheduled	0
Length of Program	30 mins

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Made in Hollywood: Teen Edition" is a 30-minute, educational/informational series showcasing how and why movies are made, including behind-the-scenes film making and special effects techniques, in addition to introducing teenagers to career opportunities within the motion picture industry. During the adolescent years, career exploration, planning, education, and decision making begins. A career in one of the multimedia industries is among the most popular career choices of adolescents. Although many feel their calling is for a more obvious "on-camera" career in acting, a number of "behind-the-scenes" pursuits make for fulfilling career choices. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
