Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Culture Click is a weekly half-hour series that explores the genesis of - and reasons behind - cultural events that permeate our everyday lives. Developed and produced for viewers aged 13-16, host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for a deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's worth of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience Culture Click.
