Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Smart Start Kids is a locally-produced, award-winning children's television program where preschoolers are the "stars" of the show. Produced in a magazine-style format, the children interact with show host "Willa" and travel to fun, educational places across the state of North Carolina. Together, they experience trips to new geographical locations, learn from hands-on activities, and create their own memorable stories and music. Children viewers can also participate from home or a childcare center by calling the Smart Start toll-free phone number and sharing their own exciting, personal stories such as a first trip to the beach or the arrival of a new puppy. This toll-free phone number provides access for all North Carolina children. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Give is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13 to 16. Give introduces viewers to the world of philanthropy through the stories of small charities making a big impact. The series features Jenna Bush Hager, actor Blair Underwood, and other passionate celebrity philanthropists from film and television, music, sports, or business who are all on a mission to inspire others to do good. In each episode of Give, one of these celebrity ambassadors will visit two charities that are dedicated to inspiring change in their communities. We'll discover what makes these charities effective, learn what each needs to make an even bigger impact, and surprise them with a gift to help continue their good work. Audiences will meet the inspiring individuals and volunteers behind each organization to see how they do their part to make the world a better place, learning compassion and the value of giving back along the way.

Email Address	lharper@wral.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WRAL seeks to positively influence the lives of our younger viewers through station tours, routine school visits for educational presentations, station's talent involvement at family-friendly community events and donated airtime to promote various community events. WRAL's News talent was involved in 14 community events benefiting children. During 3rd quarter, WRAL also sponsored and provided promotion for the following family-friendly community events: the African American Cultural Festival/Aug. 31-Sept 1, Fayetteville International Folk Festival /Sept. 27-28, and Wide Open Bluegrass/Sept 24-28.

Program Title	SMART START KIDS (WRAL Channel 5.1)
Origination	Local
Days/Times Program Regularly Scheduled	Saturday, 11:30-12n EST
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	3 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Smart Start Kids is a locally-produced, award-winning children's television program where preschoolers are the "stars" of the show. Produced in a magazine-style format, the children interact with show host "Willie" and travel to fun, educational places across the state of North Carolina. Together, they experience trips to new geographical locations, learn from hands-on activities, and create their own memorable stories and music. Children viewers can also participate from home or a childcare center by calling the Smart Start toll-free phone number and sharing their own exciting, personal stories such as a first trip to the beach or the arrival of a new puppy. This toll-free phone number provides access for all North Carolina children. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
