Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Digital Core Program (1 of 17)	Response
Program Title	LUCKY DOG
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays, 7:00am-7:30am
Total times aired at regularly scheduled time	11
Total times aired	11
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer, Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard-to love and untrained dogs and find them homes. The show focuses on exercising responsibility and developing a sense of appreciation for life and animals. Life lessons are an integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them, so that the animals will make welcome family members. Through watching his interactions with these animals, the viewer is encouraged to be sensitive to our own and other's behavior, and shown how we as individuals can make a difference. (Main Digital Channel)

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals, and their environment. Throughout the series, emphasis is placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species, with the aid of up-close and detailed photography throughout the program. Through this understanding, it is hoped that viewers will better relate to the natural environment in North America and learn to protect North America's animal species. (Main Digital Channel)

<p>Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.</p>	<p>KBAK TV is proud to support the children of our community with a variety of community outreach programs. Many of our projects utilize our airwaves, in conjunction with non-broadcast efforts. The programs selected for implementation target the education of our children and a helping hand for our neighbors. During the 3rd quarter of 2019, projects included - One Classroom at A Time, 5th Quarter, Hometown Sports, Boots and Bachelors, Meet Me in Paris Fashion Show, and National Weather Association-Kern Chapter. Several Eyewitness News anchors and reporters participated as guest speakers at local fundraisers or educational seminars for local non-profit organizations and participated in station tours for non-profit organizations, as well. Each week local public service announcements specifically designed to serve the educational and informational needs of children are scheduled to air on KBAK. A few examples are - Learning and Attention - this PSA brings awareness to children struggling with their education due to dyslexia and provides information for parents on ways they can help, Minority Education - this PSA encourages communities to support minority education due to the lower income financial circumstances minorities face, and Financial Lit. Chase - this PSA teaches the importance of developing a habit of saving money and financial responsibility at an early age to help benefit your future outside of school.</p>

Program Title	LUCKY DOG
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays, 7:00am-7:30am
Total times aired at regularly scheduled time	15
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer, Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard-to love and untrained dogs and find them homes. The show focuses on exercising responsibility and developing a sense of appreciation for life and animals. Life lessons are an integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them, so that the animals will make welcome family members. Through watching his interactions with these animals, the viewer is encouraged to be sensitive to our own and other's behavior, and shown how we as individuals can make a difference.
