Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	5.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Jack Hanna's Into the Wild is a live action television program designed to meet the educational and informational needs of children. In each episode the cameras follow Jack as he spends time with nature's creatures across the continents. Jack talks with people that are knowledgeable about each animal and habitat, teaching as he goes. Each episode is designed to reveal to children the world around them in a way that presents positive role models and pro-social values within an environmentally responsible universe.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Teen Kids News is a national 1/2 hour weekly program that is informative, educational and entertaining! The show has been on the air since 2003, and given how many people watch it and love it, the show will be on forever! Teen Kids News (TKN) highlights positive stories about kids doing amazing things and helping to make the world a better place. In addition, the TKN reporters on the show (who are, of course, all kids!) report on everything that is fun or interesting or important about our world. These stories range from kids who fly planes to how to deal with bullying to the best way to throw a baseball for power, to tips on getting into college to making friends to behind the scenes with entertainers.
