### **Section II – Non-Biennial Ownership Information**

1. 47 C.F.R. Section 73.3613 and Other Documents Licensee/Permittee Respondents should list all contracts and other instruments set forth in 47 C.F.R. Section 73.3613(a) through (c) for the facility or facilities listed on this report. In addition, attributable Local Marketing Agreements (LMAs) and attributable Joint Sales Agreements (JSAs) must be disclosed by the licensee of the brokering station on its ownership report. If the agreement is an attributable LMA, an attributable JSA, or a network affiliation agreement, check the appropriate box. Otherwise, select "Other." Non-Licensee/Permittee Respondents should select "Not Applicable" in response to this question.

Not Applicable.

## 2. Ownership Interests

(a) Ownership Interests. This Question requires Respondents to enter detailed information about ownership interests by generating a series of subforms. Answer each question on each subform. The first subform listing should be for the Respondent itself. If the Respondent is not a natural person, also list each of the officers, directors, stockholders, non-insulated partners, non-insulated members, and any other persons or entities with a direct attributable interest in the Respondent pursuant to the standards set forth in 47 C.F.R. Section 73.3555. (A "direct" interest is one that is not held through any intervening companies or entities.) List each interest holder with a direct attributable interest in the Respondent separately.

Leave the percentage of total assets (Equity Debt Plus) field blank for an interest holder unless that interest holder has an attributable interest in the Respondent solely on the basis of the Commission's Equity Debt Plus attribution standard, 47 C.F.R. Section 73.3555, Note 2(i).

In the case of vertical or indirect ownership structures, list only those interests in the Respondent that also represent an attributable interest in the Licensee(s) or Permittee(s) for which the report is being submitted.

Entities that are part of an organizational structure that includes holding companies or other forms of indirect ownership must file separate ownership reports. In such a structure do not report, or file a separate report for, any interest holder that does not have an attributable interest in the Licensee(s) or Permittee(s) for which the report is being submitted.

Please see the Instructions for further detail concerning interests that must be reported in response to this question.

The Respondent must provide an FCC Registration Number for each interest holder reported in response to this question. Please see the Instructions for detailed information and guidance concerning this requirement.

(c) Does the Respondent or any reported interest holder hold an attributable interest in any newspaper entities in the same market as any station for which this report is filed, as defined in 47 C.F.R. Section 73.3555?

If "Yes," provide information describing the interest(s), using EITHER the subform OR the spreadsheet option below. Respondents with a large number (50 or more) of entries to submit should use the spreadsheet option.

NOTE: Spreadsheets must be submitted in a special XML Spreadsheet format with the appropriate structure that is specified in the documentation. For instructions on how to use the spreadsheet option to complete this question (including templates to start with), please Click Here.

Section 73.3555, Note 2(i). If using an XML Spreadsheet, enter "NA" into the percentage of total assets (Equity Debt Plus) field for an interest holder unless that interest holder has an attributable interest in the newspaper entity solely on the basis of the Commission's Equity Debt Plus attribution standard.

The Respondent must provide an FCC Registration Number for each interest holder reported in response to this question. Please see the Instructions for detailed information and guidance concerning this requirement.

If "Yes," provide the following information for each such the relationship.

(e) Is Respondent seeking an attribution exemption for any officer or director with duties wholly unrelated to the Licensee(s)?
