Broadcaster Information and Transition Plan

Question	Response
Will the station be sharing equipment with another broadcast television station or stations (e.g., a shared antenna, co-location on a tower, use of the same transmitter room, multiple transmitters feeding a combiner, etc.)? If yes, enter the facility ID's of the other stations and click 'prefill' to download those stations' licensing information.	No
Briefly describe transition plan	Replace current top mount antenna and TX line Replace current transmitter Due to anticipated delays the Main antenna may need to be changed post P7. KZJO will need to operate on Interim antenna longer than initially planned.
