**Digital Core
Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	4.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title	DOODLEBOPS ROCKIN' ROAD SHOW - I
Origination	Network
Days/Times Program Regularly Scheduled	8A SAT
Total times aired at regularly scheduled time	5
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	3 years to 8 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Each episode of the show features a real child, who writes for help or advice with a problem to the Doodles, three animated young members of a band. The child then enters the animated world of the Doodlenet, and sets out on an adventure with the band to find a resolution to the problem, with important life lessons imparted in the process. Each episode reinforces the lesson through a musical interlude that encapsulates the educational message. Specific educational objectives of the program include encouraging viewers to develop positive personal qualities such as honesty and initiative, and providing viewers with a basic understanding and appreciation of music. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.</p>

Program Title	SABRINA'S SECRET LIFE
Origination	Network
Days/Times Program Regularly Scheduled	9A SAT
Total times aired at regularly scheduled time	5
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	7 years to 12 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This animated series follows the early-teen Sabrina, who is half human and half witch, as she struggles with the age-appropriate conflicts and problems. Sabrina serves as a role model intended to help pre-teen viewers to understand many of the social issues they confront in their day-to-day lives. Sabrina models positive character traits for viewers, combining self-assurance and uncertainty, self-reliance, competence, and a willingness to learn from her mistakes. The program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Length of Program	30 mins
Age of Target Child Audience	7 years to 12 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The animated series, "Sabrina," involves the adventures of a modern, early adolescent girl who is part human and part witch. Sabrina has magical powers that must be kept a secret and also under control. While Sabrina is not your typical girl, the familial, social, peer-group, and school-related issues she experiences all serve as educational and instructional life-lessons for viewers, as they reflect many of the same learning experiences and teenage challenges faced by children today. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	TROLLZ is an animated series about five teenage girls growing up in a magic and colorful world, who live by the credo B.F.F.L. - Best Friends for Life. The magic in their lives is interwoven into real-world type experiences through which they learn to engage in problem solving, creative thinking, and cooperative strategy skills. The series also provides an opportunity for the five girls to learn how to cope with some of the social and emotional issues of self-esteem relating to physical features and other personal attributes, emerging friendships and peer-group relationships, and other experiences found in Trollzopolis. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Age of Target Child Audience	9 years to 11 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	HORSELAND is an animated series about five girls and two boys who live in spectacular countryside that houses a farm called Horseland. Each of these main characters has a special horse whose personality is similar to its owner's. Horseland and its unique approach of integrating the personality of the main characters and animals serve to reinforce prosocial themes. Horseland is also a "coming of age" series in which viewers experience and learn from the social interactions, hopes, dreams, and even fears of this group of culturally diverse adolescents. From this background, the experiences of sharing, caring, compromise, friendship, respect, and competition emerge to provide the young viewers with social and emotional guidelines for better understanding many of the life-lessons they need to learn as they grow and develop. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	TROLLZ is an animated series about five teenage girls growing up in a magic and colorful world, who live by the credo B.F.F.L. - Best Friends for Life. The magic in their lives is interwoven into real-world type experiences through which they learn to engage in problem solving, creative thinking, and cooperative strategy skills. The series also provides an opportunity for the five girls to learn how to cope with some of the social and emotional issues of self-esteem relating to physical features and other personal attributes, emerging friendships and peer-group relationships, and other experiences found in Trollzopolis. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Program Title	HORSELAND - I
Origination	Network
Days/Times Program Regularly Scheduled	10A SAT
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	9 years to 11 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	HORSELAND is an animated series about five girls and two boys who live in spectacular countryside that houses a farm called Horseland. Each of these main characters has a special horse whose personality is similar to its owner's. Horseland and its unique approach of integrating the personality of the main characters and animals serve to reinforce prosocial themes. Horseland is also a "coming of age" series in which viewers experience and learn from the social interactions, hopes, dreams, and even fears of this group of culturally diverse adolescents. From this background, the experiences of sharing, caring, compromise, friendship, respect, and competition emerge to provide the young viewers with social and emotional guidelines for better understanding many of the life-lessons they need to learn as they grow and develop. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
