Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Instructional series features art projects and cooking projects around a theme. Host, Sean, drives around in a double-decker bus fully equipped with art supplies and a kitchen, ready for any assignment. Projects encourage parent engagement and often feature families working together to make something to display within the child's home. Side-kick, Doggity, is a beagle who transforms into an animated character during trips to a parallel universe, set in a kitchen full of prank playing animated characters. Art projects promote utilizing recycled materials in order to demonstrate that creativity can transform something intended for one purpose into something that achieves a completely different goal.
