Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Litton Entertainment is the producer of Animal Exploration with Jarod Miller. Animal Exploration with Jarod Miller is a half - hour live action television program designed to meet the educational and informational needs of children. Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes - there's always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe. In order for parents, children, and listing services to clearly identify the program as one that fulfills the FCC description of a program that meets kids' educational television needs, each episode will display the recommended rating TV-G E/I icon from beginning to end.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Teen Kids News meets FCC requirements for "core children's programming" by providing educational features such as, "Flag Facts" (info on our state flags); "College and You" (tips for choosing and getting into college), "Word" (vocabulary skills training), as well as informational features for teens, such as reports about healthy eating; driving tips for new drivers, and internet predators. The show has been designed to meet needs of children and young adolescents with a unique curiosity about their world. The Program stimulates the 13-16 year olds' curiosity, develops their learning and cognitive, listening and thinking skills, and serves as an enhancement of their academic and educational experience. More than 10,000 schools are using TKN as part of their school curriculum and affiliate stations have already contacted school systems in that regard. The full scripts are available to provide easy access for teachers to use in their classrooms
