**Digital Core
Programming**

| Question | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream | 4.0 |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream | 168.0 |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671: | 3.0 |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673? | Yes |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The mission of Teen Kids News is to produce a weekly news program that provides information and news to kids in a manner that is educational as well as highly entertaining. The target audience for the program is 13 to 16 year olds. It is designed to appeal to the audience on its own level. The focus of the program is young people, always letting them tell their stories in their own words. The large, diverse news anchor team is unique in television and has great appeal on kids who identify and emulate them. This program serves the audience in a way that makes a real difference in their lives. It inserts the clear voice of the kid into the adult-dominated media and provides a unique perspective to the news that is not currently available on network television. Main digital channel. |

| Age of Target Child Audience from | 13 years to 16 years | |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The content of On the Spot, a 30 minute E/I program for teens 13-16 is based on the Common Core State Standards for education adopted by the National Governors Association. The show uses an entertaining on-the-street format to test how well young people know the information contained in their own national curriculum. Then, On the Spot explains the answer to each question. The pedagogical approach of testing first and explaining the answer second has been shown to enhance retention and understanding. Digital multi-cast channel. | |

Certification

| Question | Response |
|--|---|
