| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Aqua Kids provides CORE programming in the area of biology and specifically the ecosystem related to the ocean, its tributaries and estuaries. Children can learn about the resources of the oceans and how protection of oceans is necessary to present and future generations. Not only does the show teach biological topics, but it aims to enrich children's lives by making them aware of future generations, the role they play now and for generations into the future, with the biggest ecosystem on earth - the oceans. Each episode provides information related to a specific topic and gives an educational approach to understand the topic related to the entire ecosystem of the earth. Aqua Kids provides kids with a way to learn about the diversity of marine animals around the world and the importance of preserving their fragile aquatic habitats. Through the use of hands-on collaboration between kids and science researchers and educators, Aqua Kids encourages children to take an active role in protecting the future of their communities and the world. |

| Question | Response |
|---|---|
| Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)? | Yes |
| Name of children's programming liaison | John Hayes |
| Address | 21 Interstate Court |
| City | Greenville |
| State | SC |
| Zip | 29615 |
| Telephone Number | 864-213-2101 |
| Email Address | john.hayes@foxcarolina.com |
| Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3. | After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies that the station fully complied with the FCC's commercial limits in children's programs, as specified at 47 C.F.R. Section 73.670, with respect to all programs specifically designed for children ages twelve (12# and under. In addition to the educational or informational programs listed in this report, the station broadcast the following programs specifically designed for children ages twelve #12# and under that were not "educational or informational": none. On June 12, 2009, the station completed the transition to digital television. After that date, the responses to Question 4 apply solely to the station's primary digital program stream. The Station did not broadcast an analog signal during this quarter. The licensee's response to Question 7#b) therefore assumes that the Station's current main program stream serves as the equivalent to the Station's former analog channel. |
