Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Tween you and me is a variety show - complete with hilarious games, exciting music, live human videos and comedy sketches that have a purpose. Each week the cast stars in a different role because they're soooo talented and love to do multiple characters! One week you might see an actor as a dad, the next episode the school principal and on the next one he might be a child! This is part of our "unique" flavor that's different than most kids shows. The sketches are really cool and funny and yet bring home a main point about God's plan for you! KidzAblaze Ministries: The show was created by the students and the adults that make up KidzAblaze Ministries. This group numbers over 50 people who have a heart to see God move mightily in the hearts of kids all across the world.
