Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The half-hour weekly series, Sea Rescue, features the rescue, rehabilitation and - in many instances - release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>"Sports Stars of Tomorrow" displays the hard work and dedication that it takes to be a true sports star. It chronicles the trials and tribulations of the young athletes as they strive to become a "top level" performer in the sports arena. The program helps youngsters realize that their full potential in both life and the playing field are attainable with lots of hard work and determination. It reinforces the importance of key values like dedication, discipline, commitment and community involvement. "Sports Stars of Tomorrow" also provides in-depth, human-interest stories that reveal the important challenges and lessons that mold our young athletes. Not everyone is cut out to be a superstar. In Sports Stars of Tomorrow, we recognize those athletes that have learned "life lessons" along the way while battling varying obstacles. These stories inspire and teach our youth that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout one's life.</p>
