Length of Program		30 mins

Age of Target Child Audience	4 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Parents need to know that Mia and Me is a fantasy series about a girl who uses a mysterious game to travel to a land of dragons, unicorns, and magic. The show incorporates both live-action sequences and CGI animation to further define the differences between the real world and the fantasy one, in which Mia takes on the form of an elf. The content is worry-free for most kids, although some very young or sensitive kids may find the evil queen and her armies threatening and fear for the serene unicorns they hunt down and capture. On the other hand, Mia and her eleven friends set great examples of friendship, kindness, and problem-solving skills.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Five children and their captain Tag have a very special relationship and a common passion that holds them together: football. Together they will overcome all obtacles and take care of each other, training in the street. The ultimate goal is to win the best trophy that a child could ever dream. The fundamental rules of this special group are not fighting and never give up. Pursued by a mayor who does not like street football, the young players welcome teams from around the world, and face the risk of being expelled from school. One girl, Eloise, has a strong character and secret love, Tag.
