Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Based on the book series by Deborah Manchester, "The Zula Patrol" teaches science and astronomy facts to a target audience of children 6-10 years of age. The Zula Patrol is a group of six animated aliens, headed by Captain Bula, who carry out a variety of scientific space missions. During their missions, Captain Bula and his crew often encounter their foe, Dark Truder, and his minion, Traxie, who are trying to take over the universe. Over the course of the story, the audience learns different facts about specific space topics such as stars, planets, orbits, moons, asteroids, comets, gravity, and space probes. The information is then highlighted during a segment where crew member Professor Multo delivers his "Multo-Moments" or summary of scientific facts from the story. Typically, the stories also provide a social-emotional tag based on tolerance and non-violent conflict resolution.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This is an animated series about Shelldon, a school aged yoka shell mollusk who lives with the adoptive family, the Clams, in an undersea community called Shell Land, which is populated by all sorts of sea species. Shelldon and his best friends, Connie (a cowry shell mollusk) and Herman (a hermit crab) face a specific challenge in every episode of the show. The problem may be managing a bully, improving their grades, learning how to be altruistic, or protecting their environment from natural and man-made disasters. In all cases they rely on Dr. Shell, the most venerated intellectual and elder in Shell Land who teaches them and gives them opportunities to harness their potential and solve the problem. Each episode provides a direct socio-emotional lesson and many episodes provide informational content relating to the sea life habitat of Shell Land and environmental conservation.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Set in medieval times, "Jane and the Dragon" is an animated show based on Martin Baynton's best-selling book about a middle-class medieval girl named Jane. Jane is raised in the Royal Court as a Knight-in-Training after she demonstrates her courage by leaving the castle to conquer the local dragon. The giant green Dragon, whose sense of humor exceeds his ferocity, instead becomes Jane's best friend and a part of the castle community. In each episode, Jane encounters a challenge that tests her problem-solving skills and requires her to demonstrate her strength of character as a Knight of the King's Guard. Sometimes Jane learns a moral lesson, and other times she uses her analytical ability to illustrate how a problem can be made less complicated and easily solved.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Willa's Wild Life" is a new animated series centered on a six-year-old girl and her menagerie of animals. Willa lives at home with her father and pets: an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence, and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the "cool" group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas is an entertaining and educational half-hour program that explores the world of animal wildlife, promoting a better understanding of how various animal species live and what they need to survive. With an entertaining narrative, the series combines focused examinations of certain topics such as "Animal Appetites" (which explores the various diets of animals along with information about how animals catch and eat their food, how diets determine their lifestyle, etc.), "Animal Antics" (a hilarious look at the crazy physical antics and talents of certain species), "Animal Babies" (an intimate look at babies of various species, how they are born, how they are raised and the difficulties and delights of growing up), along with shows which focus solely on certain animals such as elephants, bears, and monkeys. In these shows a thorough and entertaining exploration of the specific animal takes the viewer into that animal's world as we see where it lives, how it eats, how it plays, how the family unit operates, and what threatens and supports its survival. Animal Atlas also promotes responsibility toward wildlife issues by educating the viewer about endangered species and wildlife habits, as well as informing viewers how to support wildlife conservation.
