Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	14.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	0.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	5.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.		a global adventure series for kids by kids, hosted by very real brother and sister duos. Through journal entries, crayon-drawn travel logs, on-location kid chatter, and voice narration the hosts explore a world of playground-inspired adventures as they celebrate familiar childhood themes and experiences in some truly unfamiliar locations across the globe. The kid hosts bring viewers along on their unscripted adventures that embrace our cultural similarities and delight in our differences. In each episode our hosts visit a manmade or natural wonder, have an adventure involving animals, and learn about a new culture by visiting with local kids from different countries around the world.
