Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The mission of Teen Kids News is to provide information and news to kids in a manner that is educational as well as highly entertaining. The target audience for the program is 13- to 16-year-olds. It is designed to appeal to the audience on its own level. The focus of the program is young people, always letting them tell their stories in their own words. The large, diverse news anchor team is unique in television and has great appeal to kids who identify and emulate them. This program serves the audience in a way that makes a real difference in their lives. It inserts the clear voice of the kid into the adult dominated media and provides a unique perspective to the news that is not currently available on network television. This is a unique way of doing business in the crowded world of television news. There is no current news programming that features actual kids reporting to other kids on television. There have been shows by adults working with kids but none that a young audience can literally identify with. Teen Kids News is filling that void and has captured the imagination of America, becoming the first program in history targeting the next generation of news viewers. Main digital channel only.

Program Title	Young Men, Big Dreams: Inside Steve Harvey's Mentoring Camp
Origination	Syndicated
Days/Times Program Regularly Scheduled:	December 25 @ 11:00 AM CT
Total times aired at regularly scheduled time:	1
Number of Preemptions	
Length of Program	60 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	For 100 young men from all over the country Steve Harvey's Mentoring Camp is the first step on an amazing journey. Every summer, a select group of boys are invited, all expenses paid, to Steve's 150 acre ranch in Dallas and introduced to new opportunities that will reshape their future. The criteria is that these are boys being raised primarily by their moms, a growing trend impacting both families and communities. Steve Harvey along with a group of educators, doctors and sports stars is determined to tackle this issue head on --with tough talk, surprising humor and real commitment. The Special features defining moments for 5 young men as they embarked on a transformative, emotional and unforgettable experience. Steve Harvey's own story, from being homeless to climbing to the highest levels of the entertainment industry, resonates in the lives of each of these young boys. If you think Steve Harvey is only about fun and games, the Special provides a real surprise. For the boys and their moms, the end of the Steve Harvey Mentoring Camp offered a new beginning and a promise of support where they did not expect to find it. The Special showed them spending a full week immersed in an environment focused on educational tools, life skills and emotional maturity. Most importantly, they were surrounded by people who cared --male mentors and role models from all walks of life who were determined to give these young men big dreams. Main digital channel only.
