| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Taste Buds is a weekly half-hour series for children aged 13-16 that encourages them to think about what they eat, be creative in the kitchen, and explore foods from the world around them. Viewers learn and laugh as the hosts cook up age-appropriate recipes and go on fun food adventures. With a group of young hosts who are culinary explorers, viewers will delve into the culture, history, science, and art behind the food. Each episode explores a new food theme, beginning with the simple phrase, "Foods that.." and rounding off with the hosts creating and customizing theme-inspired recipes that kids and parents will want to make together. Taste Buds communicates a positive message about healthy eating, kitchen safety, and environmental responsibility. This program is specifically designed to further the educational and informational needs of children,has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides. Airs on the 2nd digital stream. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Aqua Kids Adventures is designed and produced to educate children aged 13-16 about the importance of protecting aquatic environments and the animals that live in marine habitats. This weekly half-hour series strives to show teens that with a little dedication and the right attitude, they have the ability to make a difference within their own communities. In each episode, Host Molly and the Aqua Kids crew travel the globe while sharing their adventures and what they learn about preserving a world for everyone to explore. Whether it's saving sea turtles or participating in a beach cleanup, the Aqua Kids demonstrate the real and lasting contribution children can make in protecting the future of their community and the world. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides. Airs on the 2nd digital stream. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal Atlas is a weekly half-hour series that travels around the globe to educate viewers 13-16 about the animal kingdom. Every week viewers are given an in-depth look at many different kinds of animals, their biology and habitats, their eating and socializing habits, and much, much more. The series features an up-beat and entertaining narration over beautifully-shot animal footage from zoos and wildlife habitats all over the world. Without pandering, pontificating, or watering down material, it broadens the knowledge and perspective of young viewers through a friendly and fascinating presentation of information about the animal world. For more information visit animalatlas.tv. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides. Airs on the 2nd digital stream. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Mystery Hunters is a weekly half-hour program designed and produced for viewers 13-16. Every week viewers are taken on a journey around the globe to investigate the mysteries that have baffled people throughout the ages. Through critical observation, analytical thinking, and scientific testing, this series encourages teens to question the world around them. Armed with video cameras and their instincts, the hosts gather facts and meet the experts, debunking common myths and offering explanations for legends, spooky stories, and unexplained phenomena. For more information visit <a href="http://mysteryhunters.apartment11.tv">mysteryhunters.apartment11.tv</a> . This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides. Airs on the 2nd digital stream. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Cubix: Robots for Everyone a CW Program intended to meet the education and informational needs of children 6-11 years old. The educational objectives of Cubix include the reinforcement of age appropriate interpersonal skills, the development of self-confidence, courage and personal responsibility. Cubix exposes children to these lessons within an entertaining, non-threatening imaginary environment. The Botties and their robots tackle personal and community adversities in creative story lines. Within this framework, children can see age-appropriate problem-solving strategies and learn to model the appropriate behavior. This program is specifically designed to further the educational and informational needs of children,has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. Airs on the main digital stream. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Cubix: Robots for Everyone a CW Program intended to meet the education and informational needs of children 6-11 years old. The educational objectives of Cubix include the reinforcement of age appropriate interpersonal skills, the development of self-confidence, courage and personal responsibility. Cubix exposes children to these lessons within an entertaining, non-threatening imaginary environment. The Botties and their robots tackle personal and community adversities in creative story lines. Within this framework, children can see age-appropriate problem-solving strategies and learn to model the appropriate behavior. This program is specifically designed to further the educational and informational needs of children,has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Rescue Heroes was designed to serve the education and informational needs of children 6-11. Each week the Rescue Heroes are called into action to mobilize themselves in any part of the globe to protect the world from natural and man-made disasters. Each half hour is comprised of two 11 minutes episodes. Social and emotional character stories are embedded in the stories using action and humor to convey messages of keeping an open mind, asking for help, facing your fears, persistence pays off, preparedness, procedure, training and teamwork. At the end of each episode the Rescue Heroes reinforce various safety tips, and information relating to the educational message portrayed in the story. Airs on the main digital stream. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Rescue Heroes was designed to serve the education and informational needs of children 6-11. Each week the Rescue Heroes are called into action to mobilize themselves in any part of the globe to protect the world from natural and man-made disasters. Each half hour is comprised of two 11 minutes episodes. Social and emotional character stories are embedded in the stories using action and humor to convey messages of keeping an open mind, asking for help, facing your fears, persistence pays off, preparedness, procedure, training and teamwork. At the end of each episode the Rescue Heroes reinforce various safety tips, and information relating to the educational message portrayed in the story. Airs on the main digital stream. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Rescue Heroes was designed to serve the education and informational needs of children 6-11. Each week the Rescue Heroes are called into action to mobilize themselves in any part of the globe to protect the world from natural and man-made disasters. Each half hour is comprised of two 11 minutes episodes. Social and emotional character stories are embedded in the stories using action and humor to convey messages of keeping an open mind, asking for help, facing your fears, persistence pays off, preparedness, procedure, training and teamwork. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal Atlas is a weekly half-hour series that travels around the globe to educate viewers 13-16 about the animal kingdom. Every week viewers are given an in-depth look at many different kinds of animals, their biology and habitats, their eating and socializing habits, and much, much more. The series features an up-beat and entertaining narration over beautifully-shot animal footage from zoos and wildlife habitats all over the world. Without pandering, pontificating, or watering down material, it broadens the knowledge and perspective of young viewers through a friendly and fascinating presentation of information about the animal world. For more information visit animalatlas.tv. This program is specifically designed to further the educational and informational needs of children,has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides. Airs on the 2nd digital stream. |
