Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each week the Stargate explorers enter a new world. About the only things they can be sure of are that they will encounter new and vastly different life forms and cultures, that they will face problems that require functioning smoothly as a team, and that the team is only as strong as the character and abilities, and behaviors important to learning how to get along with others - whether those others are from different races, cultures, and species or from their own team of trainees.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Because station ceased analog operations and converted to digital-only operations, Question 7(b) and 7(c) are not longer applicable. ALTERNATE 2ND HOME: Due to the challenge of the Hawaii time zone coupled with the CBS network live sports events on the weekends, KGMB has designated alternative second homes for E/I. First quarter presented more of a challenge with the scheduling of March Madness with CBS network sometimes starting at 4:00am immediately followed by live sports beginning as early as 6:00am through 4:00pm. AMENDED: (1) Multicast channel added effective 2/2/11. Amended report to reflect additional multicast children's programming on This TV for 1st quarter 2011. (2) Due to CBS E/I programming change effective 2/5/11, report amended to organize lineup with programming from 1/1/11 - 2/5/11 followed by programming from 2/5/11 - 3/27/11. Initial filing had Jack Hanna's Animal Adventures in two areas; subsequent filing shows Jack Hanna's Animal Adventures from 1/1/11 - 3/27/11 as one entry for the entire quarter. (3) #7a -- initial submission reflected 3.43 average hours per week, however, after rechecking programming and recalculation, the corrected amount is 3.46 average hours per week.
