Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Make Way for Noddy is based on a recurring character in the Enid Blyton book series for very young readers. Noddy, a boy doll, lives in a little cottage in the village of Toyland. He tools around in his sporty convertible, delivers the mail, and is a friend to all. Because he is very kind to others, he invariably is asked to help solve problems. But because he doesn't know everything, he also has a lot to learn. In each episode Noddy actively finds a way to manage a project, soothe hurt feelings, settle arguments, or learn how to do something new by following directions. The examples in each episode are age appropriate challenges for children in the target audience and model clear and concrete solutions to problems.
