Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	DOG AND CAT TRAINING WITH JOEL SILVERMAN provides CORE programming in the areas of particular concerns to young teens including doing a job well by learning how to train an animal and watching the results intended (also gives a sense of accomplishment). The art of training an animal provides a new skill that can result in more confidence for the younger teens. The Instructions create understanding of the method that leads to a favorable ending. Following directions allows the teen to achieve the desired results. Acquiring patience with an animal teaches discipline and hard work. Spending time with an animal forms a bond of caring and empathy. Learning something new gives the teen another reason to talk with others which, in turn, creates social connections. Also, education is a way for a teen to increase confidence in his/her ability to learn.
